

R9 Educational Activities Outstanding Group Award

Introduction

The IEEE R9 Educational Activities (EA) Outstanding Group Award aims to recognize groups of IEEE members for their efforts and dedicated contribution to promoting and implementing educational activities in the following areas.

-) Foster the improvement of education through the accreditation process of engineering, engineering technology, computer science, and applied science programs.
-) Dedicated contribution to the design, delivery, and support of continuing education courses and programs in the fields of interest to IEEE
-) Volunteering of time and effort for the informal education community
-) Work in a pre-university school and those who influence school-based activities for pre-university students.

Purpose

IEEE R9 EA Outstanding Group Award has been established to recognize Section, Student Branch, and other Affinity Groups, which have exhibited exemplary and substantive leadership of an extraordinary nature in implementing activities in the scope of EA, as stated above, at the local, regional, national, or international level. The group's accomplishments should be of "significant performance" and should have made a distinguishing contribution to IEEE R9 EA.

Eligibility

-) IEEE Region 9 EA Outstanding Group Award targets IEEE R9 Section, Student Branch, Women in Engineering (WIE), Young Professional and Life Members Affinity Groups.
-) The nominated group must be led by IEEE R9 member(s) in good standing.
-) The nominated group's achievement and contribution must have been made within the last three years for this award.
-) The nominated group must not have received the IEEE R9 EA Outstanding Group Award within the last three years.

Schedule

- Call for Nominations: **8 September**

- Nomination Deadline: **1 November**
- Evaluation period: **8 to 21 November**
- Recipient Notified: **1 December**

Nomination Conditions

-) The nomination form available from the and R9 EA Committee homepage (<https://r9.ieee.org/ea/>) must be completed by the nominator, who must be familiar with the work and contribution of the nominated group and endorsed by the Section Chair. Nominator must be IEEE members of professional membership grade. R9 EAC Committee members cannot act as nominators.
-) The nomination form must be filled in **English** and sent to IEEE R9 EA Committee by **1 November 2021** in electronic means (pdf file). Ensure that an acknowledgment is received after sending the complete form in a few days, or it should be assumed that the submission is not received.

Basis of Selection

The R9 EA Outstanding Group Award is selected based on the following points relating to the nominated group's eligibility:

-) Contribution for the scope of EA
-) Quality of activities and programs
 - Purpose and objectives
 - Achievements and measurable impact
 - Support from the Section
 - Collaboration with Student Branch/YP/WIE Affinity Group or other groups
 - The number of participants
-) Quantity of activities and programs.
-) Other factors
 - Uniqueness of the approach
 - Outreach & societal implication
 - Size of Section

If no candidate is found to be suitable, no award will be given in the year.

Selection Committee

The R9 EA awards selection committee comprises at least three members, who are nominated by the R9 EA committee, and is headed by the award coordinator. The award selection committee reserves the right to present no award if the committee is not satisfied with the standard or quality of entries received.

Award

The award consists of a certificate of appreciation. This award is offered annually.

Presentation

The award will be directly sent to the Section that the winner belongs. Then, the award will be further presented to the winner organization unit at an appropriate occasion of the Section.

Notification

The R9 Educational Activities Committee Chair will notify the result of selection by e-mail to the award recipient. The R9 Educational Activities Committee Chair will make an official result announcement to the Section/Council Chairs and Secretaries and maintain a record of award recipients on the R9 EA Committee homepage.

The Nomination Form can be found on R9 EAC Award webpage:

<https://r9.ieee.org/ea/reconocimientos/>

Submit all nomination forms to:

R9 Educational Activities Committee at: reac.r9@ieee.org

R9 Educational Activities Outstanding Achievement Award

The IEEE R9 Educational Activities (EA) Outstanding Achievement Award aims to recognize individual or teams of IEEE Graduate Student members, members, Senior members, and Fellows who have made significant contributions in any of the following areas:

-) Foster the improvement of education through the accreditation process of engineering, engineering technology, computer science, and applied science programs.
-) Dedicated contribution to the design, delivery, and support of continuing education courses and programs in the fields of interest to IEEE.
-) Volunteering of time and effort for the informal education community.
-) Outstanding educational innovation in the fields of interest of IEEE and whose innovation has made a major impact and has also been emulated outside the individual's immediate environment.

Purpose

IEEE R9 EA Outstanding Achievement Award was established to recognize individuals or teams who have exhibited exemplary performance in implementing activities in the scope of EA, as stated above, at the local, regional, national, or international level. The candidate's accomplishment should be of "Significant Impact" and should have made a distinguishing contribution to IEEE R9 EA.

Eligibility

-) IEEE Region 9 EA Volunteer Award targets R9 IEEE Graduate Student members, members, Senior members, and Fellows
-) The nominee must be an individual or a team of IEEE members.]
-) The nominees must be IEEE R9 members in good standing.
-) The nominees must be IEEE members at the time of nomination.
-) Nominee's achievement and contribution must have been made within the last three years for this award.
-) A member of the R9 EA committee cannot be a Nominee, Nominator, or Reference.
-) The nominee must not have received the IEEE R9 Educational Activities Outstanding Achievement Award within the last three years.

Schedule

- Call for Nominations: **8 September**
- Nomination Deadline: **1 November**
- Evaluation period: **8 to 21 November**
- Recipient Notified: **1 December**

Nomination Conditions

-) The nomination form, available from the and R9 EA Committee homepage (<https://r9.ieee.org/ea/>), must be completed by the nominator, who must be familiar with the work and contribution of the nominated group and endorsed by the Section Chair. Nominator must be IEEE members of professional membership grade. R9 EA Committee members cannot act as nominators.
-) The nomination form must be filled in **English** and sent to IEEE R9 EA Committee by **1 November 2021** in electronic means (pdf file). Ensure that an acknowledgment is received after sending the complete form in a few days, or it should be assumed that the submission is not received.
-) The nominator is responsible for providing a minimum of three, and a maximum of five, people to serve as References for this award. At least two references must be IEEE members.

Basis of Selection

The IEEE R9 EA Outstanding Achievement Award is selected based on the following points relating to the candidate's eligibility:

-) Contributions to the scope of EA
-) Impact of activities over the community
-) Uniqueness of the approach
-) Outreach & societal implication
-) Leadership ability

If no candidate is found to be suitable, no award will be given in the year.

Selection Committee

The R9 EA awards selection committee comprises at least three members, who are nominated by the R9 EA committee, and is headed by the award coordinator. The award selection committee reserves the right to present no award if the committee is not satisfied with the standard or quality of entries received.

Award

The award consists of a certificate of appreciation. This award is offered annually.

Presentation

The award will be directly sent to the winners. Then, the award will be further presented to the winners' organization unit at an appropriate occasion of the Section.

Notification

The R9 Educational Activities Committee Chair will notify the result of selection by e-mail to the award recipient. The R9 Educational Activities Committee Chair will make an official result announcement to the Section/Council Chairs and Secretaries and maintain a record of award recipients on the R9 EA Committee homepage.

R9 Educational Activities Achievement Award in Pre-University

Education

Introduction

The IEEE R9 Educational Activities (EA) Achievement Award in Pre-University Education aims to recognize individuals or teams of IEEE Graduate Student members, members, Senior members, and Fellows who volunteer in a pre-university school, or those that influence school-based activities for pre-university students. These individuals should have inspired an appreciation and understanding of mathematics, science, technology, and the engineering process in pre-university students, and have encouraged them to pursue STEM careers.

Purpose

IEEE R9 EA Achievement Award in Pre-University Education was established to recognize individuals or teams who have exhibited exemplary performance in implementing activities in pre-university education at the local, regional, national, or international level. The candidate's accomplishment should be of "Significant Impact" and should have made a distinguishing contribution to IEEE R9 EA.

Eligibility

-) IEEE Region 9 EA Volunteer Award targets R9 IEEE Graduate Student members, members, Senior members, and Fellows
-) The nominee must be an individual or a team of IEEE members.
-) The nominees must be IEEE R9 members in good standing.
-) The nominees must be IEEE members at the time of nomination.
-) Nominee's achievement and contribution must have been made within the last three years for this award.
-) A member of the R9 EA committee cannot be a Nominee, Nominator, or Reference.
-) The nominee must not have received the IEEE R9 Educational Activities Outstanding Achievement Award within the last three years.

Schedule

- Call for Nominations: **8 September**
- Nomination Deadline: **1 November**

- Evaluation period: **8 to 21 November**
- Recipient Notified: **1 December**

Nomination Conditions

-) The nomination form, available from the and R9 EA Committee homepage (<https://r9.ieee.org/ea/>), must be completed by the nominator, who must be familiar with the work and contribution of the nominated group and endorsed by the Section Chair. Nominator must be IEEE members of professional membership grade. R9 EA Committee members cannot act as nominators.
-) The nomination form must be filled in **English** and sent to IEEE R9 EA Committee by **1 November 2021** in electronic means (pdf file). Ensure that an acknowledgment is received after sending the complete form in a few days, or it should be assumed that the submission is not received.
-) The nominator is responsible for providing a minimum of three, and a maximum of five, people to serve as References for this award. At least two references must be IEEE members.

Basis of Selection

The IEEE R9 EA Outstanding Achievement Award is selected based on the following points relating to the candidate's eligibility:

-) Contributions to pre-university education in R9
-) Impact of activities over the community
-) Uniqueness of the approach
-) Outreach & societal implication
-) Leadership ability

If no candidate is found to be suitable, no award will be given in the year.

Selection Committee

The R9 EA awards selection committee comprises at least three members, who are nominated by the R9 EA committee, and is headed by the award coordinator. The award selection committee reserves the right to present no award if the committee is not satisfied with the standard or quality of entries received.

Award

The award consists of a certificate of appreciation. This award is offered annually.

Presentation

The award will be directly sent to the winners. Then, the award will be further presented to the winners' organization unit at an appropriate occasion of the Section.

Notification

The R9 Educational Activities Committee Chair will notify the result of selection by e-mail to the award recipient. The R9 Educational Activities Committee Chair will make an official result announcement to the Section/Council Chairs and Secretaries and maintain a record of award recipients on the R9 EA Committee homepage.
