

Airfare Limits for Primary Delegates Attending the IEEE Region 9 Meeting in México City, México

Primary delegates must purchase their own plane tickets and submit an expense report to request reimbursement up to the airfare limit below. Exceptions must be approved by the Region 9 Director (e.tejera@ieee.org); please copy the Region Treasurer (augustojh@ieee.org). Alternatively, in exceptional cases where the purchase of tickets may be difficult due to currency transactions limitations, primary delegates can request the Region to purchase the tickets (prior authorization from the Regional Director).
